

**CASCADES EAST RIDE CENTER (CERC)  
AFTER HOURS TRANSPORTS**

Oregon Health Plan eligible rides need to be set up through assigned brokerages during brokerage hours. Some rides, however, due to their nature can only occur during hours that the brokerage call center is not open. These are rides such as **URGENT need or hospital discharges**. If this occurs, a transportation provider can be contacted directly to arrange transport. All other transport must be arranged during CERC's regular hours.

**CASCADES EAST RIDE CENTER IS OPEN  
TO SCHEDULE RIDES  
MONDAY – FRIDAY FROM 8AM-5PM  
**541-385-8680 or 1-866-385-8680 toll free****

Cascades East Ride Center contracts with the following providers who have agreed to be contacted for **after-hours transports**.

**If the provider does not answer, please leave a message.  
The provider should respond within 15 minutes**
